Subject: Response to Letter 99-106 from Alex Hildebrand to Wendy Halverson Martin

On April 11, 1999, Alex Hildebrand sent the attached letter (99-106) to Wendy Halverson Martin. I prepared a response to the letter, but Stein Buer recommended that the letter be pulled and re-written. I physically pulled the letter from the outgoing mail, along with copies.

The letter was re-written incorporating comments from Kathy Kelly/DWR, Stein Buer/CALFED, Mary Scoonover/DOJ, and Alf Brandt/DOI. The re-written letter is attached to this memorandum, but was never finalized or sent.
